

GLSEN's Days of Action Endorser Program

The Days of Action (DOA) are national, student-led campaigns supported by GLSEN, the Gay, Lesbian and Straight Education Network. These actions allow for organizers to call attention to the issues of anti-LGBT bullying and harassment in schools and work to make their schools safer, healthier and more respectful for all students. As an Endorser, you will be announcing your support of these programs and of the great work of organizers all across the country.

GLSEN is the nation's leading education organization working to assure that each member of every school community is valued and respected regardless of sexual orientation or gender identity/expression. Learn more at www.GLSEN.org.

Ally Week

Ally Week is October 18-22, 2011 and is a week for student organizers to plan events that serve to identify, support and celebrate Allies against anti-LGBT (lesbian, gay, bisexual and transgender) language, bullying and harassment in America's schools. This year GLSEN and students across the country will celebrate Ally Week on October 18-22, 2010 in schools and communities nationwide. Learn more at www.AllyWeek.org.

Day of Silence

On the **15th National Day of Silence, April 15, 2011**, students across the country will take a vow of silence to call attention to the silencing effect of anti-LGBT bullying and harassment in schools. Hundreds of thousands of students across the country and around the world will take part in this student-led action to educate their schools and communities and to encourage others to address the problem of anti-LGBT behavior in schools. Learn more at www.DayofSilence.org.

Days of Support

For Days of Support GLSEN provides student leaders, educators and GSAs with tools to address the topics in the context of safer schools organizing, such as activity ideas, discussion topics, workshop outlines and in-school actions. This year GLSEN plans to support:

- Transgender Day of Remembrance: November 20, 2010
- Black History Month: February 2011
- Women's History Month: March 2011
